PRINCIPAL'S MESSAGE

Congratulations to:

- **Rural Fire Service Cadets.** Again they have been outstanding in their competition results and in the way they conducted themselves at the 2012 NSW RFS State Championships at Port Stephens on 14th – 16th September. The team included: Kyle Ireland, Shaun Bawden, James Petty, Christopher Lewin, Terry Watson and Sabrina Meurs. The certificates won are further on in the newsletter and the associated trophies are on display in the Front Office for public viewing.
- **The Cattle Parading Team** who competed at the Melbourne Show on the 21st – 25th September. The students conducted themselves in a very professional manner. The Team included Billie-Joe Carberry, Harrison Daley, Joseph Carberry, Miles Hunt, Tiffany Smart, and Amelia French. A more detailed account and photos of the team's achievements are in another report.

A very big **THANK YOU** to those businesses and volunteers that have supported our students in these activities. Without your support, such activities may not have the success and positive results for these students and the whole student body. The confidence, and pride that these students display is inspiring to others within the school which supports the continuation of student enthusiasm and participation. The dedication of Dale Chadwick, is also integral to the success of these programs, Thank you Dale.

Higher School Certificate Exams

Year 12 students began these exams on Monday 15th with the English Standard and Advanced paper and will end on Thursday 8th November with Visual Arts. Students have generally been happy so far with the exams and the opportunity they have been given through the papers to demonstrate their learning.

Good luck for the rest of the exams Year 12!!

Year 11 Preliminary Reports

The end of the Preliminary course Reports were handed out to students on Tuesday. Students should consider the comments made by teachers regarding changes that could be made in order to improve their learning. The Year 12 courses have begun this term so it is important to implement any changes to study habits, organisation or commitment to learning in order to be successful in your HSC exams.

Junior Exams

These exams are in Week 5 for students in Years 7 to 10, it is therefore important to ask these teachers about study techniques, and revision exercises. Students have been given their exam timetables.

P&C Street Stall

The Gundagai High School P&C street stall will be held on **Thursday 25th, Friday 26th and Saturday 27th October 2012.**

The P&C is busy planning for this major fundraising activity.

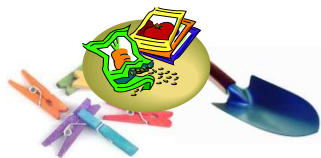

To gather items for the hampers please bring the following goods to Roll Call on/before **Wednesday 24th October.**

Years 7 – Cleaning items (laundry, bathroom, kitchen) eg sponges, gloves, cleaners, detergent, buckets, tissues, paper towels etc

Year 8 – Kitchen pantry items – food items such as soups, cans, flour, spices, rice, pasta, breakfast cereals etc

Years 9 & 10 – Snacks – biscuits, chips, lollies, nuts etc

Years 11 – Garden /Outdoor items – seeds, bulbs, gardening gloves, pegs, etc

Please check hamper items are "in date".

We need helpers to sit on the stall. If you can spare an hour on either of the 2 ½ days please phone Lynda Petty 6944 9232 or Carmel Lemon 0418 432 654 so a roster can be drawn up.

Donations of cakes and slices along with saleable produce would be greatly appreciated. If you can please deliver your labelled home-baked goodies directly to the stall which will be at the Newsagents.

A sausage sizzle will operate at Woolworths on the Saturday morning.

Your support for this fundraiser will be appreciated.

MATHS NEWS

Examinations

Students are reminded that the Yearly Examinations are to be held in Week 5 of this term. This now only allows 2 weeks for revision and the examinations may cover any work completed during the year. Students should begin to revise concepts now, in order to be prepared for these examinations.

Equipment

Students should ensure that they have the correct equipment in class in order to assist their learning. This includes a ruler and calculator. If possible a scientific calculator should be used. In particular, students should ensure that they have the correct equipment, including a calculator, for the Semester Examination.

Expressions of Interest

Requesting expressions of interest for Lockers.

The Gundagai High School P&C are currently trying to determine whether they need to purchase any new lockers for the coming year.

If you are interested in your Year 7 – 2013 student hiring a locker for their private use at \$60.00 per year, please phone Lynda Petty, P&C Vice President on 6944 9232 or lyndapetty@bigpond.com Thank you.

SRC MOBILE PHONE RECYCLING PROJECT

A reminder that mobile phone recycling boxes have been placed around town to collect those unwanted, pesky mobile phones. We are asking students, their families and the community to drop your unwanted or unused mobile phones into these boxes so that the phones can be recycled for reuse. Each handset is restored to factory condition and all sim card and memory cards are destroyed. Any phones that are beyond repair will be broken down into their different parts and recycled by Australian licensed recyclers.

Not only does this project assist with reducing over use of non-renewable resources but it also generates a small amount of financial benefit for the SRC. Please no rechargers.

Mobile phones can be dropped into the boxes at Gundagai High's front office, the Town Library and the Gundagai Newsagency.

Native Garden Design Takes Root

Year 8Y Technology students have been studying plant propagation techniques as well as native plants and their use in garden design. This was the lead up to assist them to establish a small native garden within the school. This is the second project completed by a Year 8 Technology class.

The class was required to draw a scale map, research plant growth habits, soil requirements and basic budgeting. Students prepared the site and constructed a retaining wall. Students were given a budget and had to produce a design plan on their scale map of the area along with a costing for plants required. Work, Health and Safety considerations were also addressed as students progressed through the exercise.

The finishing touches were added on Monday 3rd September with the mulch laid down to conserve moisture and keep soil temperature as constant as possible.

Canteen's National Bandanna Day

Canteen is an organisation for young people living with cancer. They raise funds by holding a 'Bandanna Day' each year, with this year's being held on **Friday, 26th October**.

Ms Thake from the English faculty will be selling the bandannas and pens this year. **Bandannas are \$4 and pens \$3.**

Give your support to this worthy cause and go and see Ms Thake.

Commitment by Gundagai High Agriculture Students Leads to Success at Royal Melbourne Show.

Four Agriculture students from Gundagai High School have won individual Parader ribbons at the 2012 Royal Melbourne Show. Billie-Joe Carberry (Year 9) and Harrison Daley (Year 7) were both placed 4th for their age group from 25 other competitors from across Victoria and New South Wales. Joseph Carberry (Year 7) and Miles Hunt (Year 10) were placed fifth in their respective age groups. "This was the most successful individual results by members of Gundagai High's Show Team in the past 18 years of showing stock in Melbourne. It is especially significant as it was the first major show for Miles, Harrison and Joseph' said Agriculture Teacher Dale Chadwick. "The 4 students are another example of what can be achieved by those individuals who are

L to R: Joseph Carberry and Harrison Daley display the skills which gained them 5th and 4th place respectively.

willing to have a go and who put in the time and effort to achieve their goals. The student's only real opportunity to practice was at lunchtimes and after school".

Four steers were prepared by students for Melbourne and 'Smiley' an Angus steer bred from a Gundagai High cow by a bull loaned to the school by Bill and Shauna Graham of Bongongo Angus was placed 2nd on the hoof in its Heavy Domestic Class. This steer proved to be overdone and lost 12 valuable points due to excess fat cover otherwise it would have placed 2nd in the carcass competition as well. Our highest scoring

Tiffany Smart exhibiting the 2nd placed 'Smiley'.

steer was 'AbF' which was donated by Gary Williamson and Paul Ferry of Abingdon Station which scored 82.5 points, just 10 points behind the Grand Champion winner. The other two steers also suffered from being overdone and so did not feature highly in the carcass competition.

The Show Team travelled to Melbourne on Friday the 21st September to exhibit the 4 animals they had prepared for the Beef Carcass competition. The show was held over the 2 days of the 22nd to the 23rd with Parader competitions on the Sunday and steer judging on the Saturday. Accompanying the team were teachers Veronica Thake and Dale Chadwick their Agriculture Teacher.

Billie-Joe Carberry after being awarded her 4th place ribbon.

The students on the trip conducted themselves in a professional manner and were a credit to their families and the school.

“The success of the School Show Team is dependent on the continued generosity and support of the local rural community. I would like to express my thanks and appreciation to Jamie & David Elworthy of Tarrabandra who continually donate hay and grain. Thanks also to Gary Williamson and Paul Ferry of Abingdon Station for donating another steer and Bill Bell who donated hay. I would like to especially thank Bill and Shauna Graham of Bongongo Angus for their continued support of our Agriculture program with the loan of one of their bulls each year. I wish to also recognise and thank for their ongoing support, Abb and Jim at McAlister Saunderson and Stubbs who sponsor our banners and team jackets and Bill and Tony Barton at Gundagai Meat Processors for their donation towards the teams expenses. Thank you also to English teacher Veronica Thake who gave up some of her school holidays to assist at the Melbourne Show”.

French Food Lesson

On Friday 7th September all Year 7 Language students enjoyed a lesson taste-testing French food. They sampled both sweet and savoury dishes including crepes, croissants and macarons. The students enjoyed trialling different cuisine and learning the history of the different foods.

SRC Report

The SRC is currently looking at running another disco towards the end of this term.

A date is yet to be confirmed but it's to be held sometime after exams have finished. In future the SRC is looking at holding two discos a year from 7-10pm.

A \$100 donation has been given to Camp Quality on behalf of the school. This donation came from the money raised from the last disco and the BBQ held on the Year 9 & 10 Welfare Day in Term 2.

At previous meetings, the SRC has been looking at placing Recycling Bins within the school. These we hope will promote recycling not only within the school but also the community. A letter has been written to the Gundagai Shire Council to assist us in the process of gaining Recycle Bins for the school.

SRC members Harry Lemon, Adam Daley, Danian Makeham and Michala Foster are attending the Grip Leadership Day on 1st November. The Grip Leadership Day is a program that includes plenary sessions and electives including presentations, activities, discussions and leadership games, to help school leaders to develop their skills and become successful within the school. Some Sessions happening on the day are: How to give a Motivational Speech, How students can run Successful Events, Information Technology Forum and How to Minimise Conflict and Create a Positive Culture. These sessions will build our school leaders and will help them become successful within the school.

Recently the SRC had to vote for the 2013 District SRC Representatives for GHS. Our current representatives are Kate Hawthorne, Holly Ingold and Michaela Foster, but as Kate and Michaela are now moving onto Year 12, they are no longer eligible. District SRC is said to be like our normal SRC meetings but more formal and on a 'larger scale'. A conference every year is held at Lake Hume Resort where representatives from each school within the Riverina come together and share their ideas and develop skills and techniques on how to improve their roles within schools. The 2 new delegates are Terry Watson (Yr. 10) and Joseph Carberry (Yr.7).

“Boots, Hats, Saddles & Songs” at the Gundagai Rodeo

Singers and performers, your chance at fame and glory is just around the corner! A brand-new talent quest showcasing the best undiscovered acts from the Riverina and beyond is set to share the stage with Australia's top rodeo talent at this year's Gundagai Rodeo.

“Boots, Hats, Saddles & Songs” will see three acts walk away with a share in more than \$500 in prize money and trophies, as well as the opportunity to perform in front of celebrity judges and a huge crowd at the November 24 rodeo - AND have their performance broadcast live on 'Sounds of the Mountains' radio!

The competition is open to solo or duet performers aged 16 or over. Heats will commence at 11am, with each act allowed up to 15 minutes to perform for the judges. The three top-ranked performers will then go into the night final, where the action moves into the main rodeo arena and the crowd chooses the overall winner.

Entries open on Monday October 1 and close Friday November 2. Performers are encouraged to start preparing their acts now as entries are limited to 20 performers.

To enter, contact Sarah Dowell on 0428 436 272, and watch the Gundagai Rodeo Club Facebook page for updates.
